*The Place where you get freedom to prepare your own reciepe*

*Yummy, Delicious and Healthy food?*

*Come to Snaxstar*

*Food is the only thing that will never be sufficient for a human being day by day the need for good and healthy food is increasing . The only thing that stops people from eating junk food is fats , unhealthy and unhygienic food so we are here to make our consumers feel free by giving them the freedom by letting them choose what they want to add and what not with a clear view of their food being prepared. It can also be your reciepe and we the one who serve it*

*We Are Here Just To Make Your Food Healthy & Tasty*

## Our Competitors

*Our top most competitors are mc donalds , dominos , and D' comfort gourmet we all have much similarities but the only thing is that we give freedom to our consumers and we make it all in front of the consumers and use fresh oil and vegetables with lots of love in it.*

*Another plus point of our shop is that we only use eco friendly packaging products o that no nature is harmed because of us*
